

Addendum to District Congress of Christian Education Scholarship

As a precursor to the scholarship application process, the applicant's church must have paid their quota for the current year in which the applicant is applying for the District Congress of Christian Education Scholarship.

Once the church's quota has been paid, the applicant will be able to proceed with the application process. The Financial secretary will be able to verify the financial status of the applicant's church.

The application process will NOT continue until the perspective church's quota is current.
